“ *Stan you will be sadly missed, you were a dear friend and a great Mason. I met Stan maybe 15 yrs ago while extending my Mason involvement from Texas to Kansas. He always was there to help and always reminded me if I ever need anything to call. Stan had a sense of humor and craziness about his self but was truly a gentlemen at heart. Will miss you Stan.*

“ To Stanton's Family: I can't tell you how deeply sad I am about Stanton's death. He was always so friendly and good to my mother when he and Janet managed the apartment complex. And I don't think my Mom was the only one that benefited from his good deeds. He'll be missed by the many who knew him. Patty Monical Coates

“ Stan, you were the greatest friend to me. You helped me get through issues in my early 20's. You were always blunt and to the point, but, still very kind. I will always remember our carpooling days when we both taught in Conway Springs. May you RIP my friend Love, Susan
