“ I also remember when Steve invited me down to go fishing in the big lake. he told me I didn't need a pole or tackle just get in the boat. I felt like a queen for the day, why Steve even took my fish off then he threw them back in now I wasn't to sure on that one but I soon got over that. I had a wonderful time with my son. I miss him so much and I know I won't be getting those phone calls any more. but I know I will see him again and I know he is with our Lord. and I bet he is fishing in the best hole there and catching the biggest fish ever..

Yes I remember that I had white goose feathers all over the yard. You boys were having a ball. I forgot I should have had a trash bag to gather those soft feathers for my pillows. I won't forget all that fun.
