But the time we had and riding our Harley's together I will cherish forever! It's is so painful to know how much You have been through in the last several years. But you was still aalways a pleasure to talk to. I'm proud to call u Dad!! I will see u on the other side. Love Brant Hosfelt

“ The last time I saw Steve I noticed a picture on his living room wall. It was him as a kid on a dirt bike in a wide left hand turn holding it wide open, and I thought, Ya that's Steve! Its hard for me to imagine what heaven is like, but I don't think they have mufflers anymore and Lynyrd Skynyrd is now on the playlist. RIP good buddy.

“ *I want to start by stating that I am eternally blessed for having Steve as my father in law, I was able to call him dad and he accepted me without condition. He was a great dad to his kids and grandfather to his grandchildren. Steve was also the definition of a stand up guy. My only regret is that I didn't get more time with him. My heart goes to Shirley and the family who I hope find strength in that he is no longer in pain. Ride free and you will always be in my heart dad.*

“ I'm so sorry to hear of Steve's passing, we lived next door to the Hosfelts for about ten years, I'm sure he was a nice person as were his parents and brother Mike. RIP I know you were loved by many family and friend alike and will be missed dearly.

“ I met Steve as a co-worker in the mid 1990's, It didn't take long before I considered him a friend instead of a co-worker. He always had a "can do" attitude and a smile on his face! I came to Chanute to visit him last winter, and even with all his health issues he still had that trademark great attitude. He could always make me laugh!! He was truly a genuine caring person that always had time for anyone that needed it. My condolences to the Hosfelt family, He was a good one!! So long ole Buddy, you will be missed!
