

Turner Samuel McLean

October 9, 2006 - January 6, 2019

Turner Samuel McLean, age 12, of Howard, KS passed away January 6, 2019 in Omaha, NE, after a year-long fight with many complications resulting from a brain tumor.

Turner was born October 9, 2006 in Lincoln, NE to Scott and April McLean. He lived in Howard and was in the 6th grade at West Elk School. He loved and looked up to many people in his life, but his number one passion was his family. Whether it was being outside gardening with his mom and helping her can vegetables, or watching his siblings play football, basketball, and track, he just wanted to spend time and be with them. He also had an old soul. He would be the first one up in the morning, make himself some coffee and be enjoying some old black and white western movie when the rest of the family woke up.

“My sincerest condolences to the entire McLean family. I never got to meet Turner, but following his page was so inspirational, spiritual, and loving. Scott and April, you will continue to be in my prayers, as your life takes a new path. Your Angel will always be with you, but you already know that, as your amazing faith is another thing I have admired so much. Much love as you take everything day by day.

“ I never got the honor of meeting Turner in real life...but Turner and his family touched my heart via web. I started following Team Turner awhile back and fell in love with this little man's spirit. Turner was such a fighter, had such an amazing presence that I could feel it radiate through the internet. His signature thumbs up was my favorite! My greatest sympathies to his family. Turner warmed and touched my heart in such little time, thank you for sharing his amazingness with us. My life and heart has forever been changed by Turner.

Turner was a blessing. He was so much fun to be around everyday. As we worked together at school he always had a smile and a joke to play. He will always live in my heart. ❤️
