“ *To the Verna Brooks Owens family,*

We cannot believe we are at this stage of life. Your mother, her siblings, and the Ambler family shared lots of good times together. The Brooks always treated us like part of the family. We will never forget that. Writing a condolence letter to you feels so strange. We are really sorry for your loss. Please know how much we loved Verna and we will never forget her.

“ Verna helped me more than she ever knew, a GREAT LADY.....

David Elder - January 15, 2016 at 08:15 PM

“ I met Verna Owens at church and she was always friendly and dressed so nice. I called her MaMa. I enjoyed her, sometimes when her car would break down I would take her places in town. I knew she was getting tired and I told Russell that she was at home now and rejoicing. I will see her again. I'm glad I have that hope, I hope you do too.
