“ My great grandma was the best person I knew. It was hard losing her because she was my world. I can think of all the good times I had with her. She would always let me do fun stuff and she would always play with me. She is dearly missed by us all. May she rest in peace.

“ Miss Virginia will always be a sweet sweet memory in my nursing career and one of my favorite patients so far! I absolutely enjoyed every moment of every shift that I spent with your mother/grandmother!! In the short time I knew her, she was always full of spunk, even when she didn't feel good!! She was determined to never give up and would give anything for those great-grandbabies. I will never forget her love for an ice cold Pepsi!! Rest in peace my sweet, beautiful, courageous friend...I will see you again one day on the other side. God Bless You All!! John 14:27-29
