“ We were so sorry to hear of Wayne's passing. He was a very nice man and we enjoyed being around Wayne during our 4-H years. He always seemed to have a great attitude about anything Christine got him involved in with 4-H. We know he is in a better place. Our thoughts and prayer are with his kids, grandchildren and great grandchildren.

“ I recall asking Wayne if he ever shot a gun in anger during WWII while stationed in New Guinea? His reply was "No!" Did they issue you a gun? His reply was "No!" I'll miss his humor, straight forward thinking, and his honest replies.

“ Erica, I can remember you telling me stories about your Granpa, and how vividly and with lots of love you told those stories. Thankfully, those life time of memories will live on, through you passing those memories on to Mae. God bless you, and your family, as you celebrate your memories of your Grandpa. Prayers. “ *The love I have for my grandpa is tremendous...I am so proud of the hard working man that we watched as children out in the fields! We loved spending time at the farm riding horses, skipping rocks at the low water bridge, playing in the barn, and swinging from the rafters. What a blessed childhood we had...but nothing will warm my heart more than seeing my grandpa with my own daughter. The way he lit up when he saw his great grandchildren was amazing. We know he had the most incredible reunion with Grandma and is telling her all about the wonderful, crazy and loving family they helped create! We love our Papa Wayne!*
